SUMMER MATH: As many of the students are enrolled in an ISEE prep. course there is no mandatory math assignment for the summer. If you wish extra independent practice, I suggest you purchase the following workbook:

Spectrum Math 5: focused practice for math mastery

If you believe your child would prefer the challenge of grade 6 practice problems, the grade 6 version of this book is also displayed. Spectrum Math 6: focused practice for math mastery.

SUMMER READING: All incoming 6th graders are required to read **The City of Ember** by Jeanne DuPrau.
